Stories of Bringing Nature Home

Directed by
Catherine Zimmerman

Featuring
Doug Tallamy

Come to the Saint Louis Zoo for a screening of “Hometown Habitat: Stories of Bringing Nature Home,” and meet individuals in the St. Louis region who are helping our native landscapes.

This environmental documentary shows how and why native plants are critical to the survival and vitality of the ecosystems in our communities. It features renowned entomologist Dr. Douglas Tallamy, along with “Hometown Habitat” heroes around the U.S. whose programs are reversing detrimental impacts, one garden at a time.
