## INVITATION TO BIDDERS

**PROJECT:** Photo Booth Program RFP 2020

**SCOPE OF WORK:** The intent of this Request for Proposal is to establish an agreement to provide digital photo booth kiosks and services at the Saint Louis Zoo on a non-exclusive basis as required for a term of four (4) years with an options to extend two (2) years if mutually agreed upon by both parties. All pricing for the core items are to remain firm for the four (4) years of the contract. Eligible vendors must meet all of the following guides for consideration.

### TERM

- The term of this contract is January 1, 2021 to December 31, 2024.
- The optional 2-year extension is January 1, 2025- December 31, 2026.
- Should either the chosen vendor or the Saint Louis Zoo wish to terminate the terms of the agreement early, they may do so without any penalty provided one (1) month written notice is given.

### OPERATION

1. The Zoo is seeking the facilitation of two photo booths. The first booth is located inside the Zoo North Entrance. The second is to be located outdoors at a mutually agreed upon site.
  - The vendor should note, each booth must meet with 100% ADA compliance.
2. The vendor is to have their operating booths open for business in accordance with the agreed upon schedules approved by the Zoo.
  - Hours can be modified at any time as long as the vendor is given 24-hour advance notice.
3. Vendor to provide services for outside clients through the Zoo's Sales & Catering Department. The vendor will provide an hourly rate for services based on a fair and discounted price comparable to the price for the general public. (Example: A scenario would be putting the machine into a free vend mode as part of a wedding rental being held at the Zoo).
  - Revenues to be split based on revenue share.
4. Vendor to provide services for the Zoo as a client, where the price is fair and discounted.
  - The vendor will keep 100% of revenues where the Zoo is the client.
5. The vendor should provide that kiosks accept multiple forms of payments including credit cards and digital pay options within at least one of the two machines.

- The set up and maintenance of the credit card and digital pay is wholly on the vendor, (See Revenue and Reporting for more information).

## **REVENUE AND REPORTING**

1. The Zoo requests a revenue split agreement. Please specify proposed revenue split as a percentage.
2. Should consumables be made available, the cost of the consumable is to be at the vendors cost and factored into the revenue share percentage as necessary.
  - The vendor may request sharing consumable cost, but unless the vendor is told this is accepted, the bid must reflect the noted statement.
3. Zoo net revenue is determined after any applicable taxes are deducted. Collection and payment of any applicable taxes are the responsibility of the vendor, and should be built into the approved price to the Zoo visitor.
  - The vendor should factor their cost for taxes into their proposed revenue share, and not require the monthly calculation between the Zoo and the vendor to include this detail.
4. Zoo collects all cash revenue. The Zoo will send vendor revenue share once a month, representing the revenue due for the previous month.
  - The vendor shall accept credit cards and host said services on their own system. The system must meet PCI Compliance requirements per Zoo policy.
    - Any fees for transactions are to be the vendor's responsibility and should be accounted for in the overall proposed revenue share.
    - The vendor should be in a position where either the Zoo shall withhold the Zoo portion of credit card revenue when paying out cash commission or provide for credit card revenue to be deposited in a designated Zoo bank account.
5. The Zoo shall have access to vendor sales data at all times.

## **IMAGES/ARTWORK/LOCATIONS/FACILITIES**

1. Zoo must approve all images and artwork before use on grounds.
2. Artwork sold must include Saint Louis Zoo Logo on all art pieces, in a location/style approved by the Zoo.
3. Locations of vendor kiosks, art and images must be approved by the Zoo in advance.
4. Any building, cart, stand, etc. used or constructed by the vendor must be approved by the Zoo.
  - a. The Zoo will provide guidelines. 100% ADA compliance in all facilities is required.
  - b. The vendor holds sole responsibility for maintenance of upkeep of vendor owned facilities and equipment.

- c. The vendor may suggest alternate points of operation or options for future expansion.

## **EXCLUSIVITY**

1. The vendor shall be the exclusive provider of their product to the general public.
2. The vendor shall not be the exclusive provider of their product for private events, rather they shall have the right of first refusal. Should the vendor refuse an event, another vendor may be engaged for said event.

5. Contracting Agency: Any Agency or Department making a contract on behalf of the Saint Louis Zoo.

**SECTION TWO: POLICY**

It is the policy of the Saint Louis Zoo, a political subdivision of the State of Missouri, that minority and women-owned businesses, as defined in the following document, shall have the maximum opportunity to participate in the performance of contracts or sub-contracts financed by Zoo funds, in whole or in part. The Zoo or its assigned Contracting Agencies shall take all necessary and reasonable steps to ensure that said businesses have the maximum opportunity to compete for and perform under all Zoo contracts. The Zoo or its Contracting Agencies shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts.

The method that the Saint Louis Zoo shall employ to implement this policy is the establishment of a goal of at least 25% Minority Business Enterprise participation and at least 5% Women's Business Enterprise participation in contracts and purchases wherein Zoo funds are expended. This goal shall be pursued by the programs described below.

### **SECTION THREE: PROGRAM ADMINISTRATION**

1. The Chief Financial Officer for the Saint Louis Zoo shall be charged with the overall responsibility for the administration and enforcement of the Zoo's Minority and Women Business Enterprise participation policy. The Purchasing Department shall be charged with establishing procedures & implementation for all Contracting Agencies for the purpose of monitoring the Zoo's overall performance with respect to Minority and Women's Business Enterprise participation. The duties and responsibilities of the Purchasing Department shall include:
  - Developing and distributing a directory of certified MBE's and WBE's.
  - Reviewing on a regular basis, the progress of each Contracting Agency toward achieving the goals for the utilization of Minority and Women's Business Enterprises and making an annual report in the first quarter of each year to the Commission, reporting that progress which has been made, together with recommendations as to such further remedial action that should be taken, if any.
  - Monitoring Contracting Agencies throughout the duration of contracts to ensure that all efforts are made to comply with the requirements of this policy.
  - Certifying that the requirements of this policy have been satisfied before contracts are signed or countersigned.
  - The advertisement for bids, if any, shall appear in the Saint Louis Post Dispatch and the Saint Louis American and/or City Journal Newspapers no later than 21 days before bids are due on specific contracting opportunities, except where the contracts are awarded on an emergency basis.
  - All contract solicitations shall include the MBE/WBE policy and any other materials required.
  
2. It shall be the responsibility of each bidder and proposer to adhere to procedures and provisions set forth in this policy:
  - Each bidder and proposer must complete an MBE and WBE Utilization Form and identify therein its commitment, if any, to utilize MBE's and WBE's. Any failure to complete and sign the MBE and WBE Utilization Form will result in the bid or proposal being declared nonresponsive. In the response to an invitation to bid or request for proposal, the bidder or proposer shall include the names of Minority and Women's Business Enterprises to whom it intends to award subcontracts, if any, the dollar value of the subcontracts and the scope of work to be performed.
  - It is the bidder's or proposer's responsibilities to ensure that all M/WBE's projected for use have been certified by the Saint Louis Airport Authority or the National Minority Supplier Development Council (NMSDC) prior to bid opening.
  - Whenever additional contract supplements, extra work orders or change orders are made that individually, or in aggregate, increase the total dollar value of the original contract, the contractor shall make every effort to maintain the level of MBE and WBE participation as established in the original contracts.
  - The awardees of a contract must submit a copy of executed agreements with the MBE's and WBE's being utilized.

- The prime contract bidder should break its subcontracts down into discrete items or packages that at least some of the M/WBE's in the relevant area may find economically feasible to perform.
  - The prime contract bidder should not deny a subcontract to an otherwise qualified and competitive M/WBE's solely because the latter cannot perform an entire package of related items, but the bidder may deny a request to repackage the work where doing so would jeopardize scheduling or increase that bidder's cost of performing the original package by more than 5%.
  - The Zoo shall use at least part of any pre-bid meeting to encourage prime contractors and M/WBE's to work together, providing an opportunity for all firms to identify themselves and for all M/WBE's to identify the type(s) of work that they perform. The Zoo should also emphasize that it expects all firms to perform a commercially useful function.
  - The Contracting Agency shall make monthly reports to the Zoo concerning the agency's progress in achieving the goals established in this policy.
3. Bonding and Insurance: The prime contract bidder should be encouraged not to deny a subcontract to an otherwise qualified and competitive, and if necessary, certified M/WBE solely because the latter cannot provide a performance or payment bond for the work, unless the bidder's bonding is contingent upon bonding for all subcontractors.
4. Written Policy
- Independent and apart from its interest in any one project, the prime contract bidder should have a written policy stating that it affirmatively supports subcontracting to M/WBE's, and that bringing such firms into the mainstream of the construction industry is a priority for that firm. This policy shall be made available to the Zoo upon request.
5. Liaison with MBE/WBE's
- Independent and apart from its interest in any one project, the prime contract bidder should assign a senior official the responsibility of serving as a liaison between the firm and the M/WBE's in the relevant area.
6. Scope Letter
- At least five business days before the date on which bids are due, the M/WBE's should also give the prime contract bidder a scope letter that defines the items that the M/WBE would like to perform.

MBE and WBE participation shall be counted in accordance with the following provisions:

- A Contracting Agency may count MBE or WBE participation only expenditures to MBE's and WBE's that perform commercially useful functions in the execution of a contract. An MBE or WBE is considered to perform a commercially useful function when it is responsible for executing a distinct element of the work and carrying out its responsibilities by actually performing, managing and supervising the work involved. To determine whether a MBE or WBE is performing a commercially useful function, the Zoo will evaluate the amount of work subcontracted, industry practices and other relevant factors.
- A Contracting Agency may count as a MBE or WBE participation the total dollar value of a contract with a MBE or WBE prime contractor less any amount that is subcontracted to non- MBE's/WBE's (including any persons or firms that are identified as MBE and/or WBE but are not so certified by the Saint Louis Airport Authority).
- The total dollar value of a contract with an enterprise owned and controlled by minority women may be counted as either minority or women's business participation, but not both. The Contracting Agency must choose which category of participation to which the dollar value is applied.
- A Contracting Agency may count as MBE or WBE participation a portion of the total dollar value of a contract with a joint venture equal to the percentage of MBE or WBE participation in the joint venture. The joint venture must be certified by the Saint Louis Zoo and the MBE and WBE participation in the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to a share in the ownership, control, management, responsibility, risks and profits of the joint venture.
- A Contracting Agency may count toward a bidder's MBE and WBE goals expenditures for material and supplies obtained from MBE/WBE suppliers and manufacturers, provided that the MBE/WBE assumes the actual and contractual responsibility for the provision of materials and supplies.
  - A Contracting Agency may count a bidder's entire expenditure to a MBE/WBE manufacturer. Manufacturer is defined as an individual or entity that produces goods from raw materials or substantially alters them before resale.
  - The bidder may count twenty percent (20%) of its expenditures to MBE/WBE suppliers that are not manufactures.
- A Contracting Agency may count as MBE and WBE participation the entire expenditure to an MBE or WBE supplier, when the supplier:
  - Assumes the actual and contractual responsibility for furnishing the supplies and materials; and
  - Is recognized as a distributor by the industry involved in the contracted supplies and materials; and
  - Owns or leases a warehouse, yard, building or whatever other facilities are viewed as customary or necessary by the industry; and
  - Distributes, delivers and services products with their own staff and/or equipment.
- A Contracting Agency may count as MBE and WBE participation only those firms that have been certified as MBE's and WBE's by the Saint Louis Airport Authority or the National Minority Supplier Development Council (NMSDC) prior to bid opening. If a firm listed by a bidder in its bid documents has not been so certified as MBE or

WBE, the amount of participation it represents will be deducted from the total MBE or WBE participation proposed by the bidder.

- Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local MBE and WBE firms are encouraged.
- Representatives of the Contracting Agency and/or Zoo or its designee shall make periodic visits to the project site to verify minority and women's business enterprise participation and staffing.

#### **SECTION FIVE: SERVICE CONTRACTS**

- It shall be the goal of each Contracting Agency where anticipated service contracts, including professional service contracts, for any year exceed the sum of \$50,000 in the aggregate that 25% of the aggregate value of contracts awarded each fiscal year be let with MBE's and that 5% of the aggregate value of contracts awarded each fiscal year be let with WBE's.
- All requests for services, including professional services, shall require proposers to make every good faith effort to utilize minority business enterprises and women's business enterprises as subcontractors and suppliers whenever possible.
- Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local M/WBE firms are encouraged.
- Participation of M/WBE firms located within the ZMD Tax District is preferred.

#### **SECTION SIX: SUPPLY CONTRACTS**

- The goal of the Zoo is that 25% of the value of all contracts let and purchases made by the Zoo shall be let or made with MBE's and that 5% of the value of all contracts let and purchases made by the Zoo shall be made with WBE's.
- All contracts let by the Zoo for the purchase or lease of materials, equipment, supplies, commodities or services, the estimated cost of which exceeds \$5000, shall be subject to this goal.
- Joint ventures or mentor-protégé relationships between prime contractors and subcontractors with local M/WBE firms are encouraged.
- Participation of M/WBE firms located within the ZMD Tax District is preferred.
