

Transforming Medical Care Through the Personalized Medicine Paradigm

Wednesday, April 3, 2019

7-8:30 p.m.

Anheuser-Busch Theater

The Living World

Free admission

No reservations needed

Featured speaker:

**David H Perlmutter, M.D., Executive Vice Chancellor
for Medical Affairs, Spencer T. and Ann W. Olin
Distinguished Professor, George and Carol Bauer
Dean of the Washington University in St. Louis
School of Medicine**

The personalized medicine paradigm represents a shift in diagnostic strategies. It utilizes genomic data and recognizes differences in individuals in a way that has great promise for improving precision and reducing the costs of health care.

Presented in collaboration with
Evenings & Events on Genetics and
Genomics Community Series.

Academy of Science | *St. Louis*

CONNECTING SCIENCE & THE COMMUNITY® SINCE 1856

The Science Seminar Series is co-sponsored by the Academy of Science-St. Louis and the Saint Louis Zoo. For information on this event, visit stlzoo.org or academyofsciencestl.org, or call (314) 646-4544.
