This Addendum forms a part of the Contract Documents and modifies the Bidding Documents dated August 12, 2019 as noted below.

This Addendum consists of 2 pages and attachments indicated.

Each Bidder shall acknowledge on the Form of Proposal his receipt of this Addendum. Failure to do so may constitute non-conformity in the bid.

**GENERAL**

1. Addendum Format:

A. Revisions to Project Manual:

1. Revisions are located and described within this document unless revisions to a Section are extensive, in which case the entire Section is reissued in its entirety with a numbered revision triangle on the first page at the Section header.

B. Revisions to Drawings:

1. A revision to an existing drawing is indicated with a "cloud" and a numbered revision triangle. The triangle is referenced and dated in the title block.
2. Subsequent revisions on previously revised drawings will have only the current revisions "clouded" but the former revision triangle(s) will remain for reference.
